What is included in the base pricing? A LOT! We try our best to not charge extra design charges. MOST designs will be covered by our base pricing, however that can't be guaranteed until we see what you like! Things that are ALWAYS included are as follows: Standard icing designs, use of ribbon including bows (ribbon to be provided by the bride), alternating available standard flavors on different layers, and simple custom designs.

What will add an additional charge? Plates/pillars used in creating 'tiered' cakes, elaborate custom designs, adding additional layers to standard sizes, icing flowers, logo design work, custom shapes, custom flavors of cake and chocolate work. All additional charges will be disclosed as details are provided and can not always be predicted at the time of initial price quote.

LUDGER'S WEDDING/GROOM'S CAKE POLICIES ~ (918) 744-9988

In an effort to assure that there are no misunderstandings, we ask that you read the following policies.

Wedding /Groom's Cake Order ~ Orders are accepted on a first come, first served basis. The existence of a quote does not ensure that your wedding date will be available at the time of booking.

Because of the nature of wedding/groom's cake orders, it is preferred that all communications be done in person. However, *if you choose to make changes to your order via email and/or telephone, Ludger's will NOT be responsible for any miscommunication between the parties.*

Custom Designs ~ We are often asked to recreate the look of a cake found in a magazine, online, etc. Our signature Bavarian Cream Cheesecake is very unique and we will make decisions based on preserving the quality of our product. We will make every effort to provide each bride and groom with a cake that meets their expectations. However, exact duplication is not always possible. We will communicate our ability regarding a design however; we *also reserve the right to determine the level of replication and creative license of each cake that we create.*

Colors ~ If you choose to include the wedding colors on the wedding and/or groom's cake or specific variations of 'standard' colors (ivory, white, chocolate brown) you MUST provide us with a color swatch. Please keep in mind when working with a food product, certain colors are difficult and/or impossible to replicate without certain unwanted side effects (color bleeding, stained teeth, etc.) and that colors can be affected by time, humidity and heat. We will do our best to match the provided swatch; however we do reserve the right to use our own judgment regarding the color match.

Cake Decorations ~ Customers often request we add NON-EDIBLE items such as ribbon, toppers, etc. to the cake. We are happy to assist with these items; however they MUST be provided by the bride and groom and agreed upon in the final order details given 10 days prior to the wedding. We do NOT provide flowers, nor will we be responsible for placing these items on the cake.

Deliveries ~ Cakes will be delivered a minimum of 2 hours prior to the event time. The cost of delivery includes delivery and set up of any cake equipment (tiers, cake stand, etc.) but does not include application of flowers, cake toppers, etc. unless agreed upon prior to delivery.

Pick Up ~ If you choose to pick up your cake, you will need to bring a vehicle suitable for transporting your cake. Due to the tall nature of wedding cakes, it will NOT be fully enclosed in a box. You will need a FLAT surface and a CLIMATE CONTROLLED environment. Vehicles such as SUVs and Mini-Vans that have completely flat surfaces are preferred. It is also important to ensure there is nothing in the vehicle that can fall on the cake. Please understand Ludger's Cakes is not responsible for the cake once you leave the bakery.

Equipment Deposit ~ A \$100.00 dollar deposit is required for any rented equipment. This deposit can be applied using a credit card. The provided card will not be charged the amount of \$100.00 unless the equipment is not returned. At that time, the card will be charged the \$100 to allow for replacement of the equipment. You will NOT be charged the deposit if you return all the equipment pieces, and return them clean, within 5 days after the wedding. Late, dirty, broken or lost items forfeit your deposit at our discretion that we then use to replace or repair our equipment. In addition, if Ludger's Cakes has to pick up a forgotten cake stand, your credit card will be charged \$20.00.

Deposit, Order Changes & Final Payment ~ A portion of all deposits is nonrefundable. Changes to an existing order will be accepted until 10 days prior to the wedding. All weddings must be completely paid for at least 10 days prior to the wedding.

Cancellation Policy ~ If you find yourself in the position where you must cancel a wedding without the intention of rescheduling, Ludger's will refund your deposit minus a \$100.00 fee. We make daily decisions based on our calendar and this fee covers any losses we incur due to your cancellation. However, if cancellation is made within 30 days of the scheduled wedding date, the amount refunded is at the discretion of Ludger's Cakes.
